All Weather Exterior Blinds
& Zip Shades

All Weather Exterior Blinds

Designed to weather every season, these blinds provide shade and protection from the elements while keeping you comfortable.

All Weathers, All Year-Round

Year-round comfort and protection in any weather.

Customizable in size, colour, finish, and manual or motorized operation.

Durable materials, lasting performance, and cost-effective options.

Ideal for residential and commercial outdoor spaces.

8cm

All Weather Exterior Blinds
are available in two variants:

15cm

Loop Tie-Down Style:

- Secured by a bottom rail of loops or eyelets.
- Cost-effective method for areas with moderate winds.
- Easy to use and adjust design.
- Ideal for lightly sheltered spaces and balconies.

Side Guiders Style:

- Secured using cables for superior wind resistance.
- Smooth manual or motorized operation.
- Sleek, modern aesthetic with a durable design.
- Ideal for exposed spaces like patios and terraces.

Zip Shades

Transform any open space into your personal sanctuary with our stylish Zip Shades. Say farewell to harsh sunlight, wind, insects, neighbours and passersby without giving up your view.

Zip Up for Zero Intrusion

Gap-free zip-guided system that offers privacy and protection from insects.

Sleek, durable design that withstands strong winds, and blocks heat and UV rays.

Customizable fabrics and easy smart home integration with motorization.

Ideal for patios, balconies, terraces, and commercial spaces.
